

# CEN ELECTROLYTES

## 100% SUGAR FREE

Electrolytes regulate heartbeat, muscle contraction, nerve pulse transmission and digestion. They also help to move fluids in and out of cells and aid in nutrient absorption. Water cannot be properly retained and utilised by the horse's body without electrolytes.

### HIGHLY PALATABLE

Made with high quality, food grade ingredients. DISSOLVES IN WATER.

### NO FILLER

NO sugar, filler, dextrose or sodium bicarbonate

### RAPID REHYDRATION

Perfect for re-hydration before or after strenuous exercise or treatment.

### PERFORMANCE/ RECOVERY

Excellent choice for all Performance & Pleasure horses.

**INGREDIENTS:** Sodium Chloride, Potassium Chloride, Calcium Citrate, Chelated Magnesium, Chelated Zinc, Chelated Copper, Chelated Manganese, Vitamin D3, Vanilla Bean Aroma.
